

Putting "Unity" In "Community"

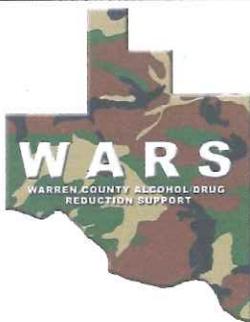

A Community Education Series

The **TRUTH** about BULLYING

- How does it happen?
- What does it look like?
- Why do people engage in it?
- What can we all do to help?

Join us for the first in a series of community education events that will help:

Reduce bullying and other aggressive behaviors
Increase the resiliency and self-esteem of our youth
Change the way we work together to help our teens grow
into happy, healthy adults.

WARS is a united community effort to provide

- Information
- Activities and
- Resources

that empower youth, engage families, and impact the residents of Warren County.

Like us on Facebook for more information.
